### Look at What We Are Learning!

#### Infant Room

##### Physical Development

###### ✚ Gross Motor Skills

Moving the body to achieve a goal: Wiggling their arms and legs while moving objects from hand to hand are great goals for our infant's.

###### ✚ Social/Emotional

Playing surprising games with our infant's shows positive relationships and interactions with adults.

###### ✚ Cognitive Development

Shadow Match Cards: Shows interest in size, shapes, and colors. This shows our infants how to seek new faces or objects.

###### ✚ Language Development

Reading a book with enthusiasm while looking at pictures are ways to improve our infant's responses of joy.
